

I have committed to help raise much-needed funding for the Parkinson Foundation of the National Capital Area (PFNCA).

PFNCA provides wellness programs such as exercise classes as well as educational programs to help people fight Parkinson's. While I hope a cure for Parkinson's will be found soon, I recognize that helping people fight the disease today is **incredibly important**.

PFNCA, which has been honored for Excellence in Non-Profit Management by the Center for Non-Profit Advancement and named one of the best small charities in the Greater Washington Region by the Catalogue for Philanthropy, relies on donations of all sizes to serve **more than 2,500 people** fighting Parkinson's each year.

Will you please make a donation to PFNCA in support of my efforts and for their fundraising campaign called Walk Off Parkinson's?

To donate by check (which saves on credit card processing fees), send your check payable to PFNCA using the enclosed envelope. The address is PFNCA, 8830 Cameron St. #201, Silver Spring, MD. Please write Walk Off Parkinson's and my name in the memo line.

To donate by credit card, please visit [www.pfnca.org](http://www.pfnca.org), select the green donate button. Indicate that your donation is in support of Walk Off Parkinson's and write my name in the comment box.

I invite you to learn more about PFNCA at [www.pfnca.org](http://www.pfnca.org). **Thank you for your support.**
